Enthusiastic fresher Full Stack Developer skilled in JavaScript, Node.js, React.js, Express.js, Java, MongoDB, SQL, and MySQL, with a commitment to innovation and problem-solving. Eager to take on challenging responsibilities within a respected company.

## Skills

- **Frontend** : HTML5, CSS3, JavaScript ES6.
- **Frontend Frameworks** : React Js, Bootstrap 5.
- **Backend** : Node.js, Express js.
- **Database** : DBMS, MySQL, SQL, MongoDB.
- **Programming Languages** : C, Java.
- **Tools** :- Git and GitHub, VS Code.

## Personal Projects

### • E-Commerce Website :

Developed a fully **responsive MERN stack** e-commerce application with navigation using category links for men, women, and kids. Implemented **JWT token-based user authentication** for enhanced security, enabling secure login and signup. The application seamlessly supports adding products to the cart, viewing individual product details, and removing items. Utilized React **Routing** for responsive client-side navigation. [Source Code](#)

### • Portfolio Website :

I designed and developed a personal portfolio website to showcase my skills, projects, and professional journey. The website features a responsive design. The navigation bar provides easy access to different sections. Created using **HTML** and **CSS** [Source Code](#) [Preview](#)

### • Website Clones :

Developed realistic clones of prominent e-commerce and streaming platforms- **Amazon, Flipkart, Netflix**, and **Spotify** using **HTML, CSS**. These projects showcase a strong command of front-end technologies, **user interface design**, and interactive web development. [Source Code](#)

## EDUCATION

B.Sc in Entire Computer Science

Karmaveer Bhaurao Patil Mahavidyalaya, Pandharpur

-Graduated with **7.82 CGPA**

Aug'2019 - Aug'2022

Pandharpur, Maharashtra
